

## HOUSE OF NIGHTMARES

By Buzz-Works

Created by Jeff Hartz and Nox Arcana.

19 tracks, with a total running time of 44:31 min.

Once again, Jeff Hartz from Buzz-Works teams up with Nox Arcana to create another fun trip, this time through the old dark house of your nightmares. HOUSE OF NIGHTMARES is like a collection of themes, noises, and sounds that could accompany the many dark and twisted journeys our brain might take us during our sleep. There are slow and moody pieces, as well as ones that are a little more face paced and in your face. But all what we hear on their latest release, it really is the soundtrack for our nightmares.
